

Mid-Columbia Regional Science and Engineering Fair Class Project-In-A-Box Teacher Checklist

Teacher Name: _____

School: _____

Email: _____

Phone: _____

Number of Students participating: _____

Data Collection Start Date: _____

Data Collection End Date: _____

Teacher Checklist

Checkmark the following items to verify the steps have been completed:

- I have reviewed my students' project with them prior to experimentation, including all risks and safety precautions.
- I will ensure that the students are properly supervised during all experimentation.
- My students' project does NOT involve human participants, vertebrate animals, potentially dangerous biological agents, or hazardous materials.
- All students participating in this project are 6th graders (or younger).
- I understand that my class will choose 2 students to present their class project to judges on fair day.
- I agree to sponsor my students' Project-In-A-Box project and assume responsibility for compliance with all fair rules, including the following ISEF Ethics Statement:

Student researchers are expected to maintain the highest standards of honesty and integrity. Scientific fraud and misconduct are not condoned at any level of research or competition. Such practices include but are not limited to plagiarism, forgery, use or presentation of other researcher's work as one's own, and fabrication of data.
